Huge shoutout to Anke Blignaut for making us a batch of BEAUTIFUL beanies. Beanies were donated to Nooitgedacht during the holiday programme.

Anabell Gallo - Levana Primary Grade 3 - Holiday Programme

I liked to do the reading and writing. I made cartoons with the play dough. We played games in the park and in the classroom. I can read already but the teacher showed me how to make good sentences with capital letters and full stops. The teacher always tells us to be respectful and to have fun. I had alot of fun.

Big thank you to Ladles of Love and the kitchen ladies at the schools for providing delicious meals during the holiday programme.

LTL LEARNERS ONCE AGAIN CAN EAT, LEARN, LIVE!

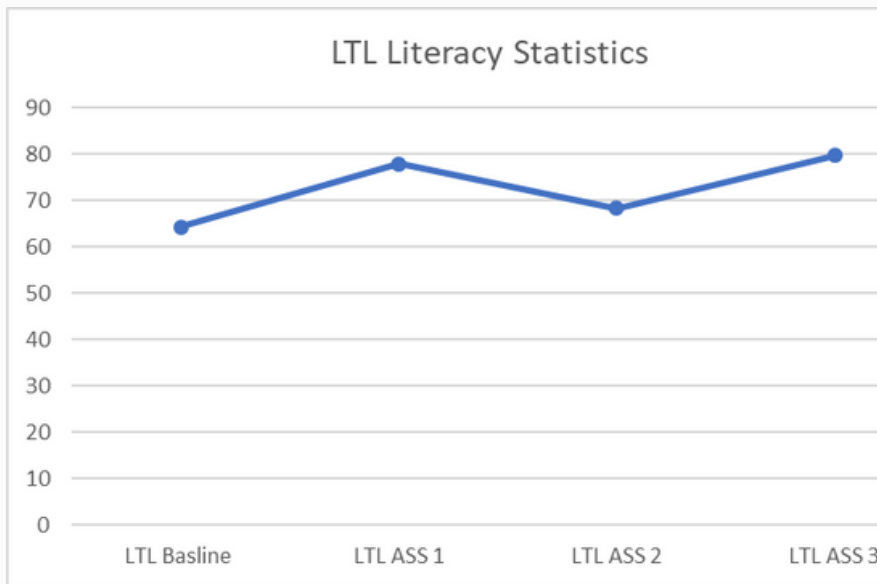

To all our dedicated teachers, we want to thank you for your hard work, your patience and love for your learners! We enjoy working with you!

Term 4 kicked off! LTL will be focusing on the literacy competition with revision of all the learning that took place throughout the year. We look forward to end the year on a high note with stellar results!

Term 3 Literacy Achievements

Due to LTL's unprecedented interventions, learners' literacy climbed dramatically with **16%** from the baseline to Term 3. **The average result for Term 3 is 80%.**

Further contributing factors to these stellar results were:

- LTL literacy competition;
- LTL reward chart system;
- the exemplary efforts of our facilitators and educators

Rewards Chart System

During Term 3 LTL ran a reward chart system pilot and it was a huge success. Discipline in the classroom can become a challenge when it's not managed properly. A reward chart system is an easy and effective tool for learners to be encouraged to participate and display favourable behaviour. LTL in collaboration with all our educators will continue with this system for Term 4.

LTL Team Building

Our staff is our most valuable asset! To prepare for Term 4 the admin and facilitation staff spent a morning in nature amongst other activities to discuss the plan ahead for this term and to build stronger connections amongst each other.

Celebrating Boss Day

From the LTL team: We are privileged to have a team leader like Sonja Botha. Her knowledge of the education field and her drive to uplift the literacy skills of our learners is something that we strive to achieve everyday. The team would like to thank her for the support and dedication to each team member.
