

# LIVING THROUGH LEARNING

## INTERNATIONAL LITERACY DAY

September is the month we celebrate **LITERACY!** Literacy is a human right and the foundation of all learning.

### LITERACY WITH MISS SOUTH AFRICA 2023

GrandWest and LTL were honoured to launch the mobile libraries for all the grade 1 classrooms in Belhar Primary School. Natasha Joubert shared her magic touch and provoked the learners' inner passion for reading, opening the gateways to life long literacy.

### NORVAL FOUNDATION

Coronation Fund Managers and LTL took 60 learners to explore and experience education through art. The Norval Foundation provides practical tools for learners to encourage and develop their creative thinking through fun art activities.

### TRAINING OUR EDUCATORS

LTL's founder, Sonja Botha actively involved in uplifting and upskilling of the fundamental concepts of educator's needs in today's challenging world of teaching.

### HERITAGE DAY CELEBRATION

Learners and teachers celebrating and fostering reconciliation on Heritage Day. We celebrated the country's unity and diversity.

### READING PILOT

LTL's highly effective 10 steps reading pilot were implemented. Within a 12 hour intervention, 70% increase in learners' ability to read with comprehension was achieved.

LTL would like to thank all our donors for making International Literacy Day a dream come true!

October is our month of giving drive, please consider donating towards the good work of LTL.
