

LIVING THROUGH LEARNING

LTL had a great start to 2024 with exciting changes including new teachers, a new school and a new facilitator! Our focus for this year is on **PRODUCTION, TEAMWORK AND RESULTS.**

TEACHERS TRAINING - TERM 1

Successful training was conducted with our new teachers, covering the fundamentals of literacy and motivating them to give it their all this year! As always, fun whilst learning was the order of the day.

"This was one of the best training sessions I ever attended. The strategies are simple, but yet so valuable!" - Ms. Siebritz

WORLD READ ALOUD DAY

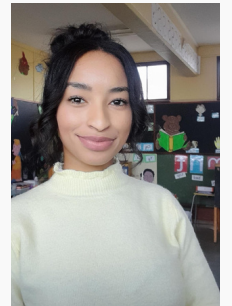

Our learners enjoyed celebrating World Read Aloud day by creating paper characters from their favourite stories and reading books to their friends. This day is always special to us, it brings us immense joy to hear a learner read with understanding and share the excitement of a storybook that comes to life!

LTL TAKES ON A NEW SCHOOL

LTL is pleased to announce that we are back in Perivale Primary after a few years of absence. In 2022, the school launched the opening of the new school building with state of the art teaching and learning facilities. [Watch this space for an update on the new Reading Adventure Room!](#)
