## LTL TEAM BUILDING

At Living Through Learning (LTL), we deeply appreciate our incredible facilitators, whose dedication brings joy and learning to children in township schools every day. Despite the challenges of working in under-resourced schools, they go above and beyond to make a difference. As a token of our gratitude, we love rewarding our team with fun, therapeutic experiences like the resin workshop at PrettyBits!

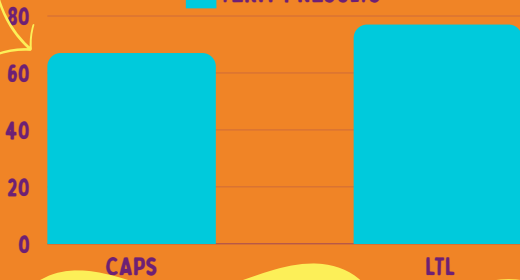

## TEACHER'S DAY

On October 5th, 2024, LTL celebrated Teacher's Day by visiting each school in our program to deliver thoughtful mugs to every teacher. Despite not having a budget for it, we found a way to make the day special and show our deep appreciation for their dedication. This small gesture was a token of our gratitude for their hard work and passion.

TERM 4 RESULTS

LTL's Term 4 results outperformed CAPS by 10%, highlighting our commitment to empowering learners and enhancing literacy. As we support CAPS, we look forward to even greater collaboration in the new year.

## LTL COMPETITIONS & GAMES

At LTL, we love to have fun and celebrate the amazing leaders shaping the future! Congrats to Mrs. Mathee (Valhalla) on winning a Phillips air fryer, Mrs. Marsh (Cypress) a GHD, and Mr. Alkana (Hillwood) a staycation voucher.

We appreciate all you do!

## LEARNERS' SUCCESS STORY

Mrs. Joubert, Grade 1 teacher at St. Augustine's RC Primary, was initially concerned about her learners' reading abilities this year. With the support of LTL and facilitator Elvina Dickens, her class made remarkable progress. Four YIP learners excelled, with three consistently in the top 10 and earning diplomas at the certificate ceremony recently. Mrs. Joubert expressed heartfelt gratitude to LTL.

## WILDERNESS TRAINING

Living Through Learning held a training session with founder Sonja Botha in Wilderness, focusing on classroom control, Grade R tactics, and fostering positive energy within the team and environment.

## WORD FROM OUR FOUNDER - SONJA BOTHA

"Fun and giving back made Term 4 truly unforgettable. It was a perfect blend of joy and the power of making a positive impact—where learning met kindness, creating cherished memories and meaningful change."
